# D1 Newsletter

## Our Newsletter

These Newsletters are an important way to communicate with parents about all events at our campus. Each week you will get emailed a link to our most recent newsletter. A quick read through will give you a great update on what we are doing at our campus. There are also links to click on and many volunteer opportunities on these pages. If you prefer a paper copy, we will have those available at the front desk.

## Welcome Back!

Welcome to our new families just joining our D1 campus and a big welcome back to our returning families! # FSO Corner

## Family School Organization

FSO stands for Family School Organization. This is our school's connection with the students and families who attend our campus. Some schools have a PTA program, but at APA we call it FSO. Our FSO program is a great way for parents and families to get involved and show their appreciation to the school, teachers, and administrators who work so hard for your children.  
*And we need your help!*

Our school could not function without the many volunteers from our APA families. Please take a moment to stop by our table at Parent Orientation night and see what you can do to help and be involved. Each teacher has specific needs in their class and as a campus we have many events that also need parent involvement. To the right shows a sample of some of the help that is needed.

- 1 Each class needs an AST (room parent) to help assist the teacher throughout the year.
- 2 Feed the teachers during Parent Teacher Conferences in the fall and the spring.
- 3 Help with Staff Appreciation Week- meals and decorating the doors.
- 4 Field Trips. We always need parents to come on students field trips as chaperones.
- 5 Help with staff birthdays as well as student birthday's and arranging the small gifts for those.

## Character Development Corner

### Constitution Day

Constitution Day is on September 17th, but at our campus we will have a Constitution reading day on September 19th. We will have tryouts during lunch on August 22nd for any students interested in reading a part of our constitution in our annual program this year. To see the try out piece for the upper and lower grades, please see those on the following page.

\*If your child had a speaking part in LAST year's constitution day live stream assembly, they will likely not be selected this year in order to give more students a chance to take part in this unique event. Thank you for your understanding.
